Applicant: David Frank, et al.

On September 10, 2001, our office filed Formal Drawings (16 Sheets) in conjunction with filing a Response to Notice to File Missing Parts for the above-identified patent application. There were minor errors in Figures 3, 4, 5, and 10a. Please find a red-penned marked up version of Figures 3, 4, 5, and 10a outlining the errors. Also, enclosed is a set of corrected Formal Drawings of Figures 3, 4, 5, and 10a. Please replace these four Figures with the corrected version.

Respectfully submitted,
